Catalog Management

The screenshot displays the CATALOGUEPLUS web application interface. On the left is a vertical sidebar with a pink-to-purple gradient, containing a list of menu items with icons: 'CP CATALOGUEPLUS', 'PAGE ACCUEIL', 'BIBLIOTHÈQUE', 'GESTION DES PRÉCÉDENTS', 'PRÉ-RETOUR', 'GESTION DES RETARDS', 'GESTION DES RESERVATIONS', 'SUGGESTIONS D'ACHAT', 'GESTION DES ACHATS', 'GESTION DES USUAIRES', 'GESTION DU PORTAL', and 'RAPPORT D'ÉTAT'. The main content area is divided into two panels. The left panel, titled 'Description Bibliographique', contains fields for 'Support' (Livres, Magazine, ...), 'Langues' (Français, anglais, ...), 'Titre', 'Auteur', 'Date de parution' (jj / mm / aaaa), 'Code Barre', 'Isbn', 'Cout' (€), 'Editeur', 'Collection', and 'Collection'. The right panel, titled 'Analyse documentaire', contains fields for 'Cote', 'Type Nature', 'Nature', 'Genre', 'Public', and 'Résumé'. A pink 'Ajouter' button is located at the bottom of the 'Analyse documentaire' panel.

With CataloguePlus, you can easily find your documents and know their status at any time (borrowed, reserved ...)

You can duplicate existing documents to avoid having to re-enter them multiple times.

CATALOGUEPLUS

© 2023 CataloguePlus

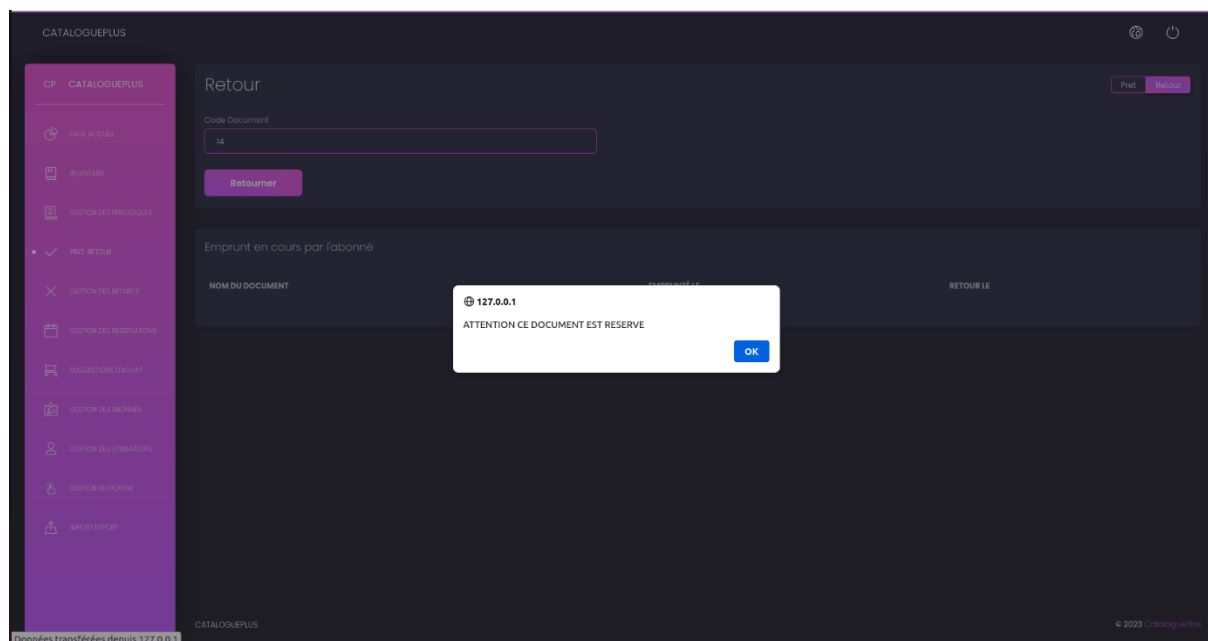

A simple and fast interface allows you to manage loans and returns with a few clicks.

Overdue Management

With CataloguePlus, you can easily view overdue documents and you can edit pre-filled reminder letters.

Reservation Management

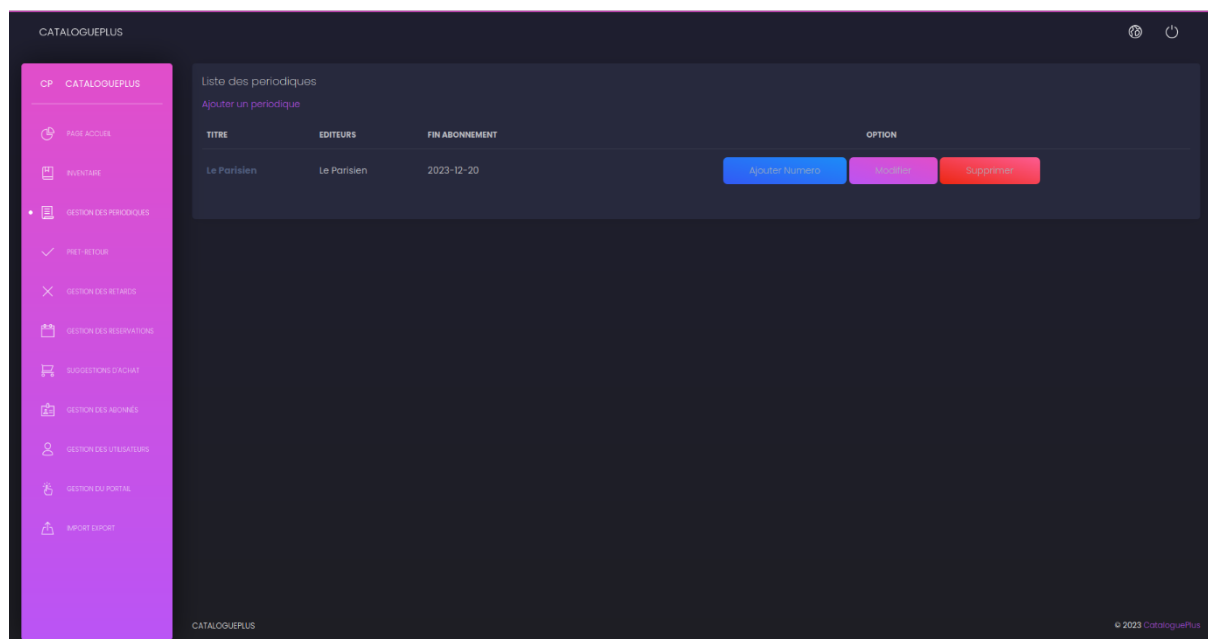

CataloguePlus automatically tells you which documents to set aside.

There is no need to check if it is reserved or not.

The subscriber can reserve the document from the online portal.

Once the reserved document is available, the subscriber is informed from their subscriber area on the online portal

Periodical Management

With the periodical management feature, you can manage your current subscriptions and easily add new issues to the catalogue.

Subscriber Management

The screenshot displays the 'CATALOGUEPLUS' interface for managing subscribers. On the left is a sidebar with a pink header 'CP CATALOGUEPLUS' and a list of navigation items: 'PAGE ACCUEIL', 'RECHERCHES', 'GESTION DES ADOPTIONS', 'POST-RETOUR', 'GESTION DES RETOURS', 'GESTION DES RESERVATIONS', 'BIBLIOTHEQUE CACHAT', 'GESTION DES ADOPTIONS' (highlighted with a pink dot), 'GESTION DES UTILISATEURS', 'GESTION DU PORTAL', and 'IMPORT EXPORT'. The main area is titled 'Modification d'un abonné' and contains a form with the following fields: 'Genre' (dropdown menu with 'Mr' selected), 'Nom' (text field with 'GON'), 'Prénom' (text field with 'Ludovic'), 'Date de Naissance' (calendar icon and text '01 / 01 / 2000'), 'Adresse' (text field with '1 rue de la Tour Eiffel, Paris'), and 'Numéro de téléphone' (text field with '06 00 00 00 00'). A pink 'Modifier' button is located at the bottom right of the form. To the right of the form is a 'Carte' section with a 'Numéro' field (containing '8') and a 'Code Barre' field (containing a barcode).

CataloguePlus automatically assigns a card number to the subscriber

This card number makes it easy to identify yourself on the library portal without having a complicated password or username to remember.

Online Portal Management

The screenshot displays the 'Online Portal Management' interface, which is divided into several sections for editing library information and content.

CATALOGUEPLUS © 2023 CataloguePlus

The online portal is very easily customizable.

You can display your schedules or news from the library.

All this can be modified from the Portal Management interface

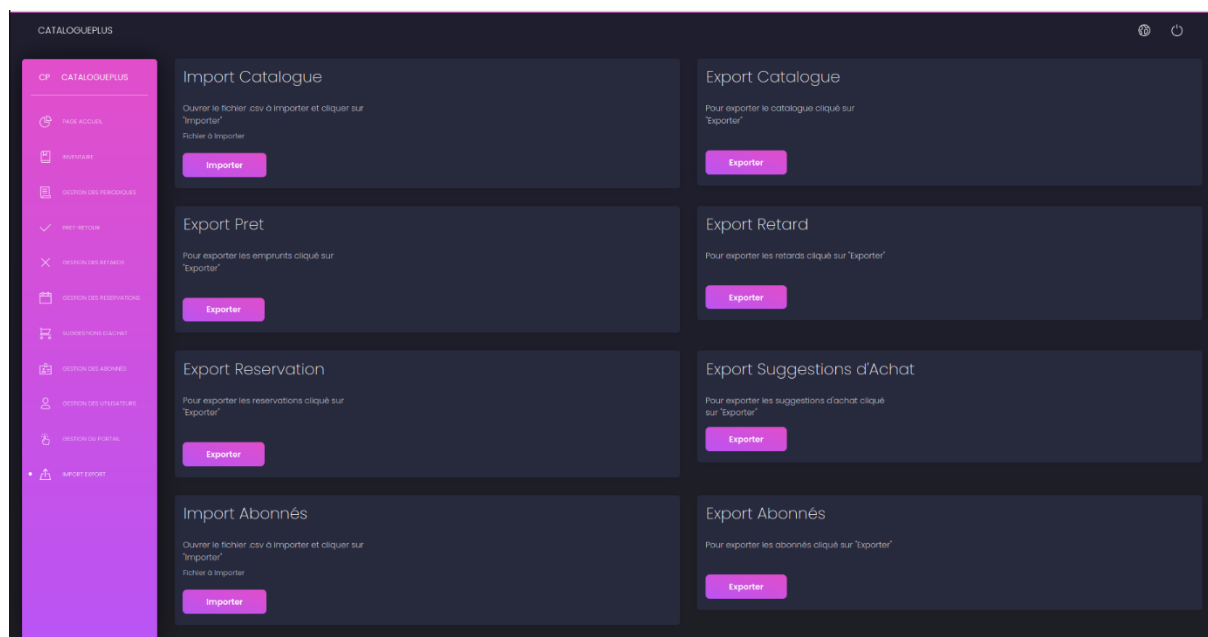

Purchase Suggestions

Finish the wish list on a piece of paper

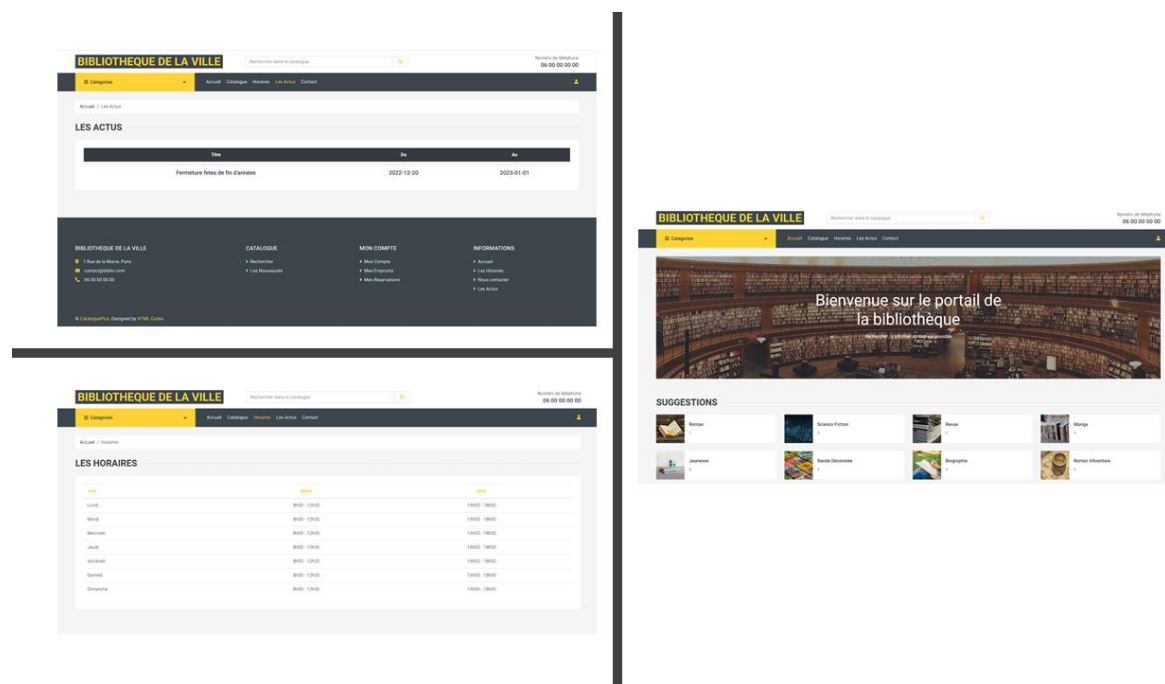

CataloguePlus allows you to record document purchase desires and find them from any computer with access to CataloguePlus

Import / Export

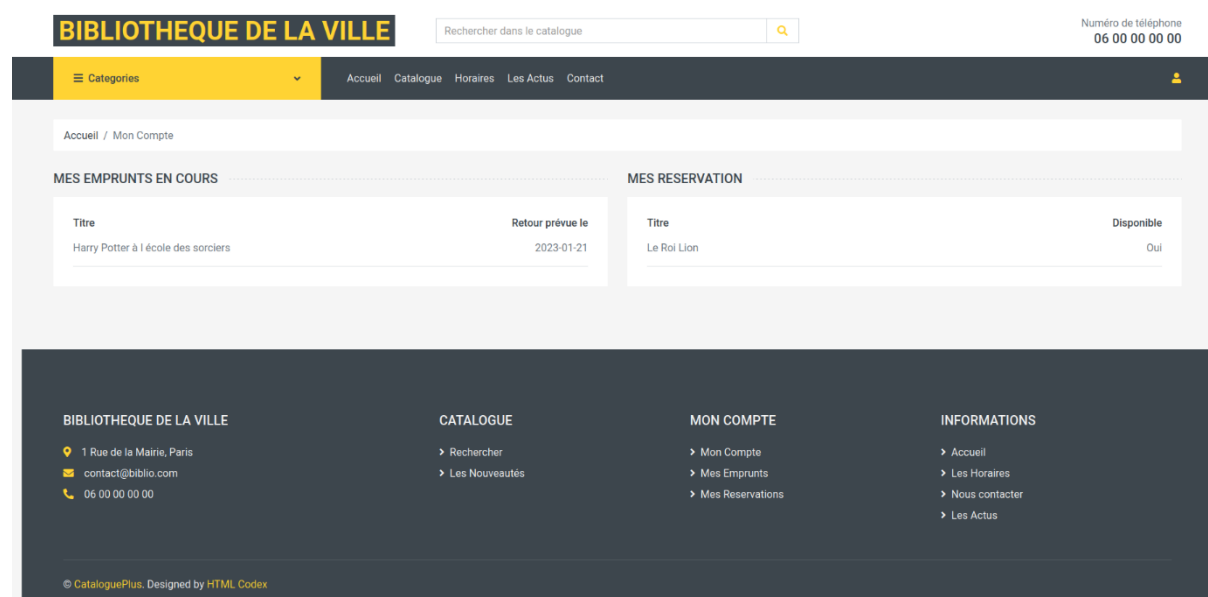

With CataloguePlus you can import or export all the data of your choice delays, loans, reservations and the list does not stop there...

Presentation of the Online Portal

The portal allows your subscribers to find out about your schedules, your news, the availability of documents.

It also allows them to see their current loans or if their reservation is available ...

Installation

This section explains how to correctly install CataloguePlus on your web server.

Failure to follow the steps may lead to errors or stability and/or security issues.

To begin modify the config.php file in which you will complete your database connection information.

```
<?php
$db1 = 'XXXX';
// Informations d'identification
define('DB_SERVER', 'XXXX');
define('DB_USERNAME', 'XXXX');
define('DB_PASSWORD', 'XXXX');
define('DB_NAME', 'XXXX');

// Connexion à la base de données MySQL
$conn = mysqli_connect(DB_SERVER, DB_USERNAME, DB_PASSWORD, DB_NAME);

// Vérifier la connexion
if($conn === false){
    die("ERREUR : Impossible de se connecter. " . mysqli_connect_error());
}
?>
```

Once the config.php file is complete, go to : <http://yourip/install.php>

The following page will open :

INSTALLATION DE CATALOGUEPLUS

Avant de commencer assurez vous d'avoir lu la notice d'installation [en cliquant ici](#).

ATTENTION Ne quittez pas la page jusqu'à la fin de l'installation

Toutes les informations saisies ci-dessous sont facilement modifiables après l'installation depuis l'interface admin
